

## PROFILE

→ What we have to offer

*In the world's largest economics library you will find more than 4 million publications and 31,700 subscribed journals.*

Our team at the information desk offers individual advice.

### Work without distraction

At the ZBW you will find a quiet workplace with a view of the Binnenalster. You can access the major online databases and electronic journals. Through our WLAN Access Point you can access the internet on your laptop.

### Meetings and discussions

Our group study rooms on the first floor provide space where you and your work group can have lively discussions. You can make reservations for a group study room at the information desk on the first floor, by telephone under 040.42 834 - 219 or by e-mail at [info@zbw.eu](mailto:info@zbw.eu).

### Attractive events

Visit our readings where well-known authors present current topics in economics.

## SEARCH

→ Our online tools for an efficient literature search

*You are looking for research publications or information on economic topics?*

**We've got what you need and you can find it the fast way: online.**

### **EconBiz**

Start your online search in our portal EconBiz, the central entry point for your search in full texts, online catalogues and internet resources.

Additional services such as an events calendar round off the range of products on offer.

[www.econbiz.de](http://www.econbiz.de)

### **Online catalogue ECONIS**

The online catalogue of the ZBW offers you the world's largest holdings of books, journals and articles from all fields of economics and business practice.

Many items of current literature can be downloaded without charge.

[www.econis.eu](http://www.econis.eu)

### **New acquisitions**

Take a look at our new acquisitions lists, from which you can order books online for borrowing at one of our branches in Kiel or Hamburg.

→ You can find detailed information about all our online services at [www.zbw.eu](http://www.zbw.eu)

## ASSISTANCE

→ Help from our information professionals

*You urgently require a particular book or article?*

**We are happy to assist you.**

### **EconDesk**

Do you need information on an economic topic or a hint where to find a particular statistic? Our online reference service EconDesk provides concise economic information—quickly and without charge, by e-mail, chat or telephone.

Our team at EconDesk will also be happy to assist you in your literature search.

[www.econdesk.eu](http://www.econdesk.eu)

### **LOTSE Economics**

Our online tutorial is presently only available in German.

### **ECONIS Select**

You are interested in a hot topic in economics or a new trend in business studies?

ECONIS Select and ECONIS Select Business Administration offer you selected literature lists with a direct link to electronic documents.

### **EconStor**

The Open Access server of the ZBW allows you to use working papers and postprints from German universities and research institutions without charge. You can also publish your own papers there.

## DOCUMENT DELIVERY

→ Economic literature on your desk

*You have to hand in your paper the day after tomorrow?*

**We deliver literature to you.**

**Directly to your desk.**

### **subito**

Do you wish to have literature delivered to your home or your workplace?

No problem. For a fee, the document delivery service subito supplies requested articles electronically or in print and sends books by mail as fast as possible.

[www.subito-doc.de](http://www.subito-doc.de)

### **Interlibrary lending**

Interlibrary lending allows you to order literature from the ZBW through your own library for local borrowing.

### **Library use on site**

The ZBW is open to the general public.

You can order books and journals directly online in our database ECONIS if you have a ZBW user card. You can obtain a user card at the information desk and pick up books directly at the loan desk either in Kiel or Hamburg. You can read journals at your leisure in the reading rooms of the ZBW.
