

What is EconBiz?

EconBiz is the ZBW portal for economics. From a single search box you can search simultaneously

- ➔ the [electronic and printed holdings of the ZBW](#) and
- ➔ the full-texts and bibliographic records of seven other databases for economics.

You can find EconBiz at www.econbiz.de and on our homepage www.zbw.eu

Select ZBW view

Click "Switch to ZBW view" to see the availability options and the order functions for the ZBW holdings.

Search and order

Input your search term. The default setting is for a search across all fields. Use the drop-down menu to select other search options (e.g. for a certain title, ISBN etc).

Open Access material only Advanced

Too many results? If you only want to see titles available from the [holdings of the ZBW](#), set the filter for the database [ECONIS](#) at the bottom of the navigation bar on the left in the EconBiz results list.

In the results list, click the title you wish to see for a full view.

How to order articles

If you find an article without online access in the ZBW holdings, you can order the printed volume in which it was published. The line “Published in” gives you the necessary information about the year of publication and, if available, the numbers for the volume and issue.

Dynamic spillovers of oil price shocks and economic policy uncertainty

Nikolaos Antonakakis, Ioannis Chatziantoniou, George Filis

Year of Publication: 2014

Authors: Antonakakis, Nikolaos; Chatziantoniou, Ioannis; Filis, George

Published in: Energy economics.- Elsevier, ISSN 0140-9883, ZDB-ID 795279x. - Vol. 44.2014, p. 433-447

Below in the area “volumes” you can select the volume you require from the list and order it. You will see an order form if the issues of that year have not yet bound into a volume. Fill out the form and send it.

Renewals

In the area renewals you can see a list of all items currently on loan to you. It also tells you when the loan period ends, if any of the items have been reserved, and the number of renewals. Tick the items you wish to renew. Then click the button “renew”.

data | loans | reservations | costs | password

■ **outstanding loans**

renew Click on **renew** to renew the selected loans.

<input checked="" type="checkbox"/>	<input type="checkbox"/>	title	shelf mark	status	volume	expiry date	reservations	renewals
<input type="checkbox"/>		1. Young and out in Germany: on the youths' chances of labor marke	K::W 752 (40)	On loan		04-07-2012	0	0

When you have done so, there may be notes about items that could not be renewed, please take note of these. A renewal extends the loan period for three weeks starting on the day of the renewal.

FAQ

How do I become a ZBW customer?

You need a ZBW customer card if you wish to order items from the ZBW holdings. It is available without cost at the information desk on the first floor. Please bring a valid ID or passport and written confirmation that you are registered with the local authority.

How do I find only those items available at the ZBW?

Click "Switch to ZBW view" in the upper right-hand navigation bar. At the bottom of the EconBiz results list you will find a filter for databases. Set it to the database ECONIS.

How can I export results to my reference management system?

Call up the full view of the title in question. Click the button "Export to.." and select the file format you prefer. 

How much time do I have for pickup?

Items that you requested remain on the shelf for you for 5 working days.

How long can I borrow books?

You can borrow books for three weeks and renew the loan period up to four times, unless the items have been reserved by someone else.

Where can I see my reservations?

Your ZBW customer account has a section "reservations" where you can see a list of all your reservations. If an item is ready for pickup we will notify you by email. You can delete a reservation by ticking the title in question and clicking the button "delete".

What's my password?

The default setting for the password is your birthday. Input it as DDMMYY. You can change your password in the section "password". If you have forgotten your password, please contact the information desk.

If you have any further questions please contact the information desk on the first floor.
