

1. EOSC Coffee Lecture

Was ist die EOSC und welche Ziele verfolgt sie?

Klaus Tochtermann, 30.01.2024

k.tochtermann@zbw-online.eu

Überblick EOSC Coffee Lectures

1. EOSC Coffee Lecture:

“Was ist die EOSC und welche Ziele verfolgt sie?”

Datum: Dienstag, 30. Januar 2024

Uhrzeit: 16:00-17:00

2. EOSC Coffee Lecture:

“Wo steht die EOSC heute und welche Zukunftsperspektiven gibt es?”

Datum: Dienstag, 27. Februar 2024

Uhrzeit: 16:00-17:00

3. EOSC Coffee Lecture:

“Welche Möglichkeiten zur Beteiligung gibt es?”

Datum: Dienstag, 26. März 2024

Uhrzeit: 16:00-17:00

Überblick 1. Coffee Lecture

- History of the EOSC
- Objectives and non-objectives of the EOSC
- Governance structure of the EOSC
- Timetable for the implementation of the EOSC

History of EOSC

2016

2016

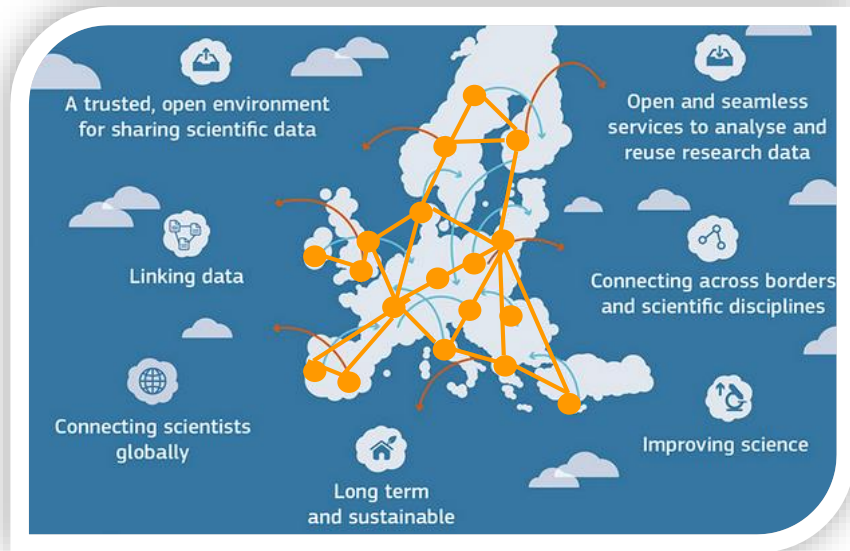

2018

2020

2021

Idea of EOSC

EOSC Vision

What

EOSC is the European web of FAIR data and related services for research

Research data that is easy to find, access, interoperate and reuse (FAIR)

Trusted and sustainable research outputs are available within and across scientific disciplines

Why

Unlock the full potential of research data to accelerate discoveries and innovation

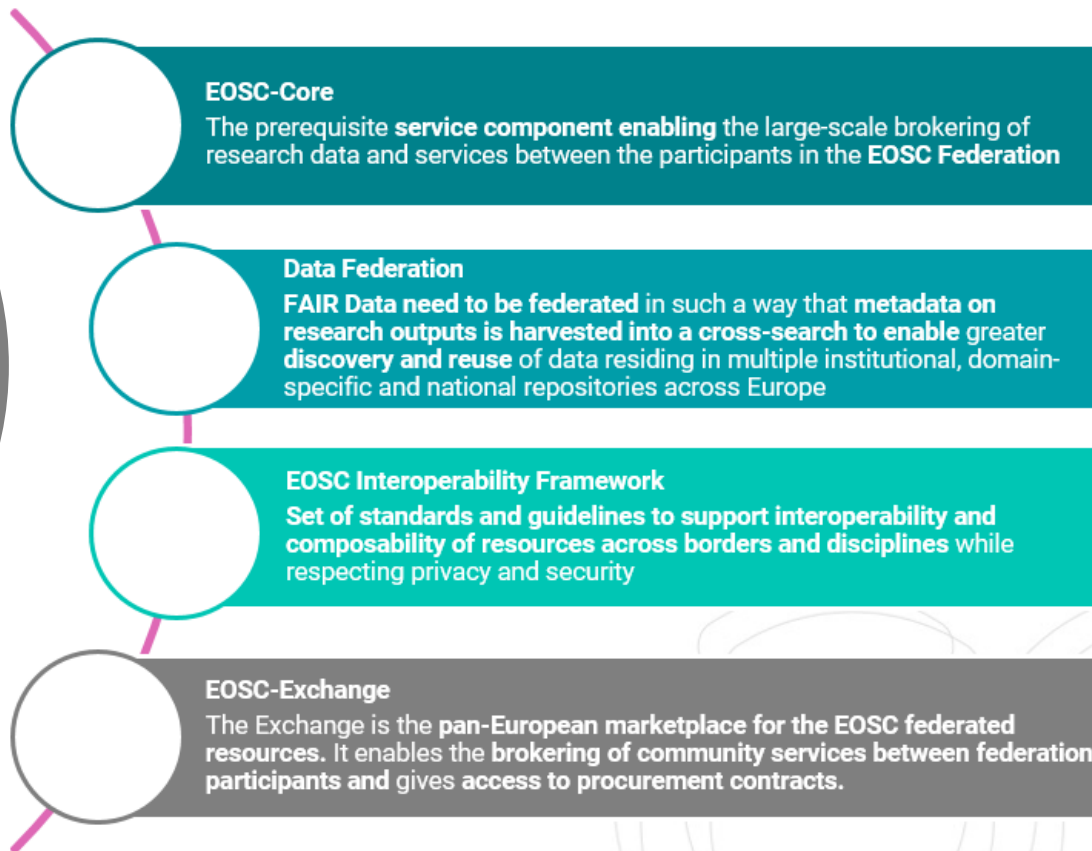

How

- Ensure that Open Science practices and skills are rewarded and taught, becoming the 'new normal'
- Enable the definition of standards, and the development of tools and services, to allow researchers to find, access, reuse and combine results
- Establish a sustainable and federated infrastructure enabling open sharing of scientific results

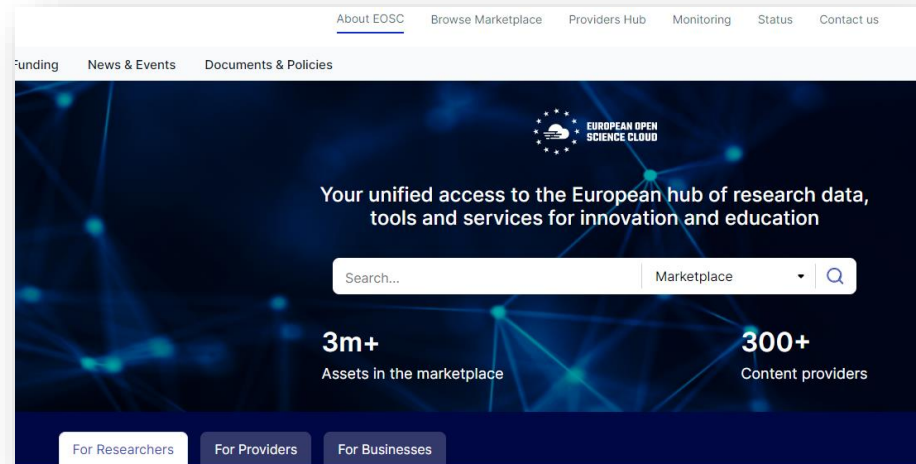

Strategic
Research and
Innovation
agenda (SRIA)
eosc.eu/sria-mar

Minimum Viable Environment of the EOSC

European Open Science Cloud is not...

1. ...a cloud infrastructure
2. ... synonymous of Open Science
3. ... the EOSC Portal
<https://eosc-portal.eu/>

EOSC is not...

4. ... a new pan-European e-infrastructure
5. ... substituting any existing research infrastructures or e-infrastructure
6. ... only about technology, but a socio-technological infrastructure

EOSC is not

7. ... the EOSC Association

<https://eosc.eu/>

8. ... yet a fully operational infrastructure

Memorandum of Understanding

Agreement on

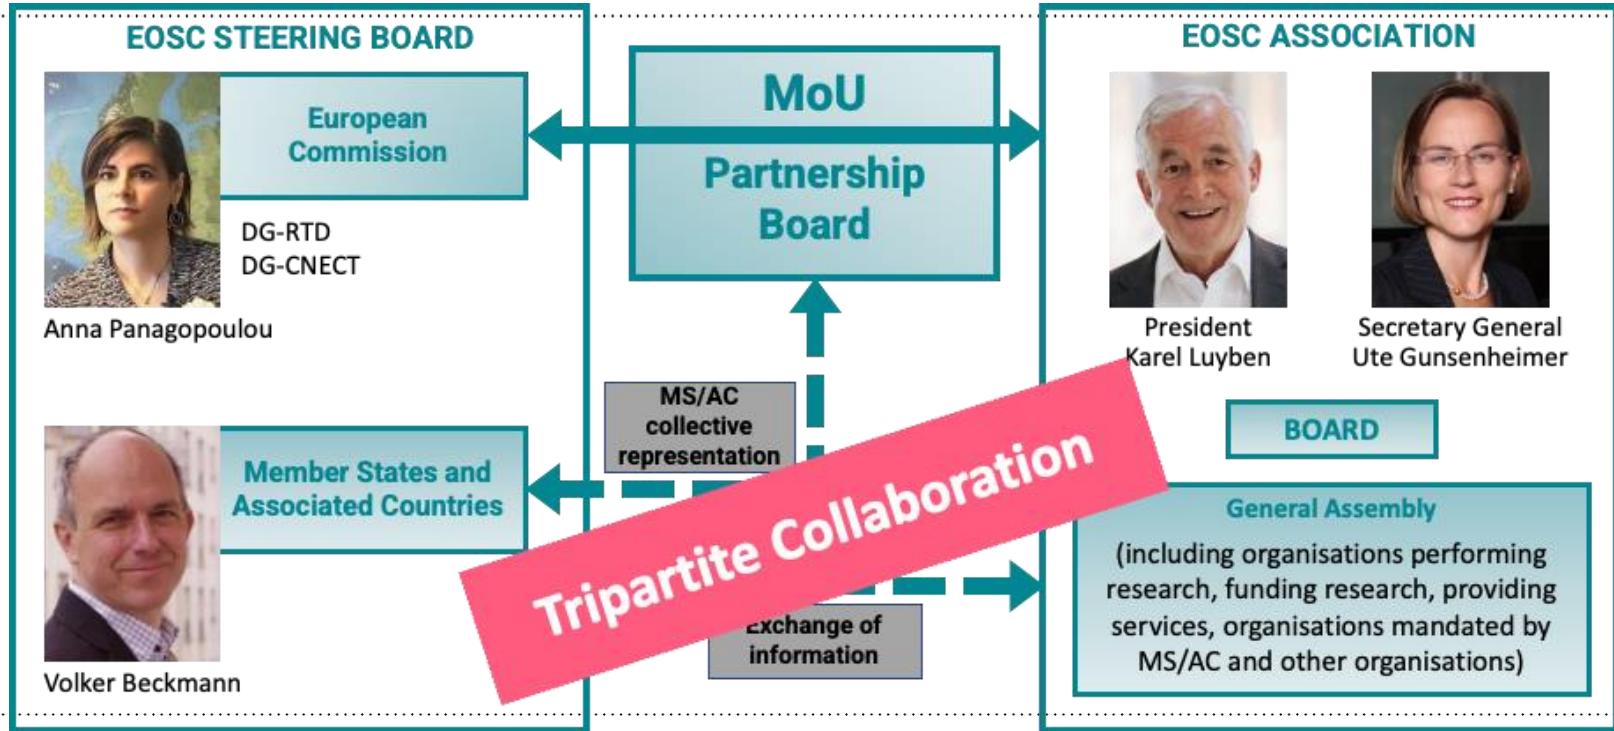

- Governance
- Objectives (KPIs)
- Implementation
- Financing
- ...

EN **Annex 5**

Memorandum of Understanding for the Co-programmed European Partnership for the European Open Science Cloud (EOSC)

The European Open Science Cloud Association, representing the partners other than the Union (its constituent entities¹), the registered offices of which are in Rue du Trône 62, 1050 Bruxelles, hereafter referred to as the “Partners other than the Union”, and the European Union, represented by the European Commission, (jointly hereinafter referred to as “the Partners”),

Governance Structure

Board of Directors of the EOSC Association

Karel LUYBEN
EOSC-A President, 2023-2025

Marialuisa LAVITRANO
EOSC-A Vice-President, 2024-2026

Klaus TOCHTERMANN
EOSC-A Treasurer, 2024-2026

Ignacio BLANQUER
EOSC-A Director, 2023-2025

Suzanne DUMOUCHEL
EOSC-A Director, 2024-2026

Sara GARAVELLI
EOSC-A Director, 2022-2024

Bob JONES
EOSC-A Director, 2022-2024

Sarah JONES (in
memoriam)
EOSC-A Director, 2023-2025

Wilhelm WIDMARK
EOSC-A Director, 2022-2024

Members of the EOSC Association

249 Members from Member States/Associated Countries

- 29 Mandated Organisations
- 133 Members
- 87 Observers

 Nationale Forschungsdaten- Infrastruktur	 Charité Universitätsmedizin Berlin	 DFG Deutsche Forschungsgemeinschaft	 Forschungszentrum Jülich GmbH
Member Nationale Forschungsdateninfrastruktur (NFDI) e.V. 	Member Charité Universitätsmedizin Berlin 	Member Deutsche Forschungsgemeinschaft (DFG - German Research...) 	Member Forschungszentrum Jülich GmbH 
			
Member The Research Infrastructure Service (RIS) in Germany is the NFDI's main IT research organisation. Research currently covers 72 nations and research in Germany.	Member Georg-August-Universität Göttingen Stiftung Öffentliches Recht 	Member Helmholtz-Zentrum Berlin für Materialien und Energie... 	Member Karlsruhe Institute of Technology 
			
Member TIB Leibniz Information Centre for Science... 	Member Verein zur Förderung eines Deutschen Forschungsnetzes... 	Member ZBW - Leibniz Information Center for... 	Observer Arab States Research and Education Network... 
			
Observer Deutsches Elektronen- Synchrotron DESY 	Observer Deutsches Zentrum für Luft- und Raumfahrt... 	Observer DKRZ - Deutsches Klimaschwerzentrum GmbH 	Observer Facility for Antiproton and Ion Research... 
			
Observer GSI Helmholtzzentrum für Schwerionenforschung GmbH 	Observer GWDG - Gesellschaft für wissenschaftliche Datenverarbeitung... 	Observer open science to open societies ... 	Observer rasdaman GmbH 

Member Input for EOSC Implementation

Metadata and data quality

To ensure research objects can be discovered, understood and reused, as well as to define and implement benchmarks to assess the level of FAIRness and data quality to ensure content can be relied on.

- ▼ FAIR Metrics and Data Quality Task Force
- ▼ Semantic Interoperability Task Force
- ▼ PID Policy and Implementation Task Force (PID TF)

Research careers and curricula

The most important stakeholders for EOSC are the researchers.

- ▼ Data Stewardship, Curricula and Career Paths Task Force
- ▼ Research Careers, Recognition and Credit Task Force
- ▼ Upskilling Countries to Engage in EOSC Task Force
- ▼ Researcher Engagement & Adoption Task Force (REA TF)

Technical challenges

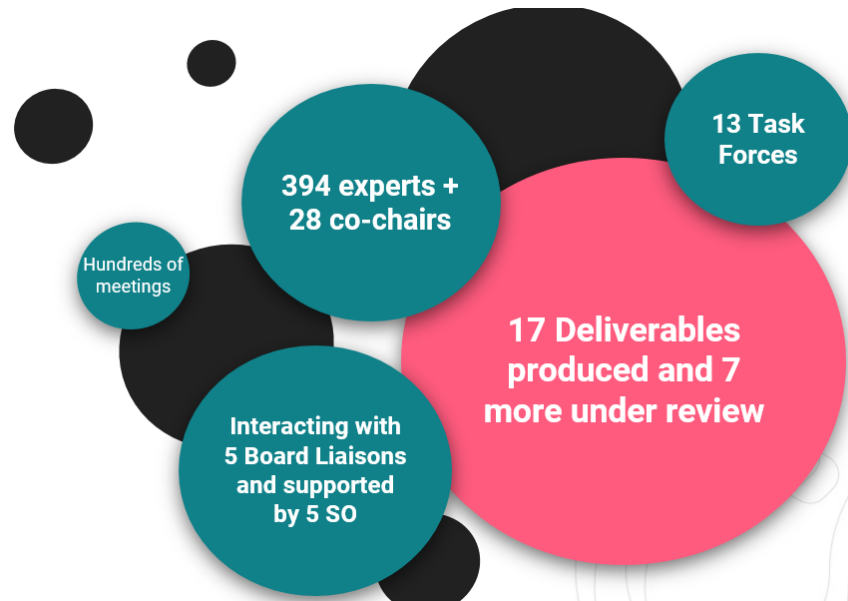

Focus on implementing the technical architecture and interoperability in EOSC and steer strategic areas of future work, such as infrastructure for sharing quality research software.

- ▼ Authentication and Authorization Infrastructure Architecture (AAI) Task Force
- ▼ Infrastructures for Quality Research Software Task Force
- ▼ Technical Interoperability of Data and Services Task Force
- ▼ Long-Term Data Preservation Task Force

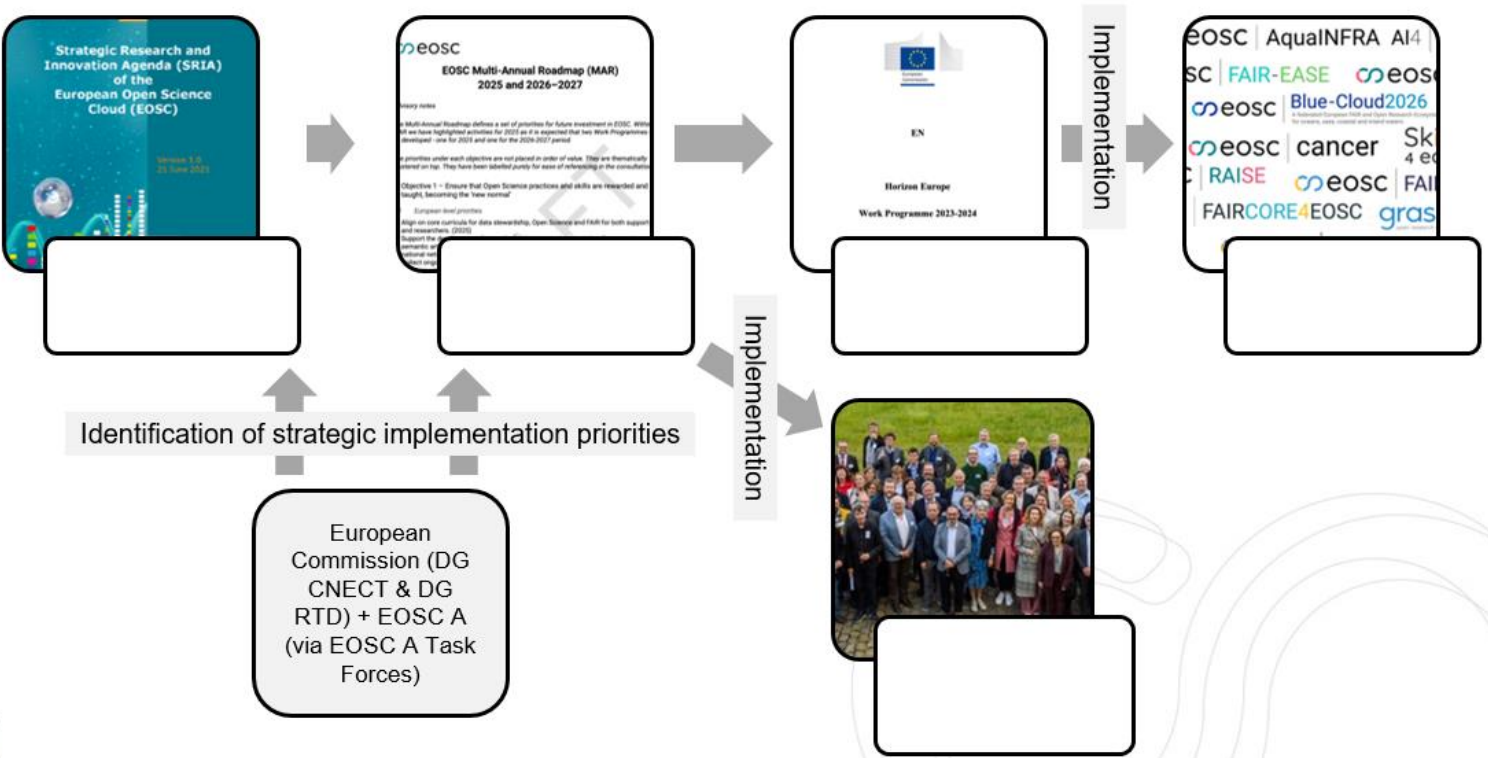

Sustaining EOSC

EOSC's long-term survival depends on the implementation of a scalable and sustainable EOSC ecosystem, including funding models and integration of national and thematic infrastructures that are closely coupled with the governance structures and legal entity.

- ▼ Financial Sustainability Task Force
- ▼ Rules of Participation Compliance Monitoring Task Force (RoP TF)

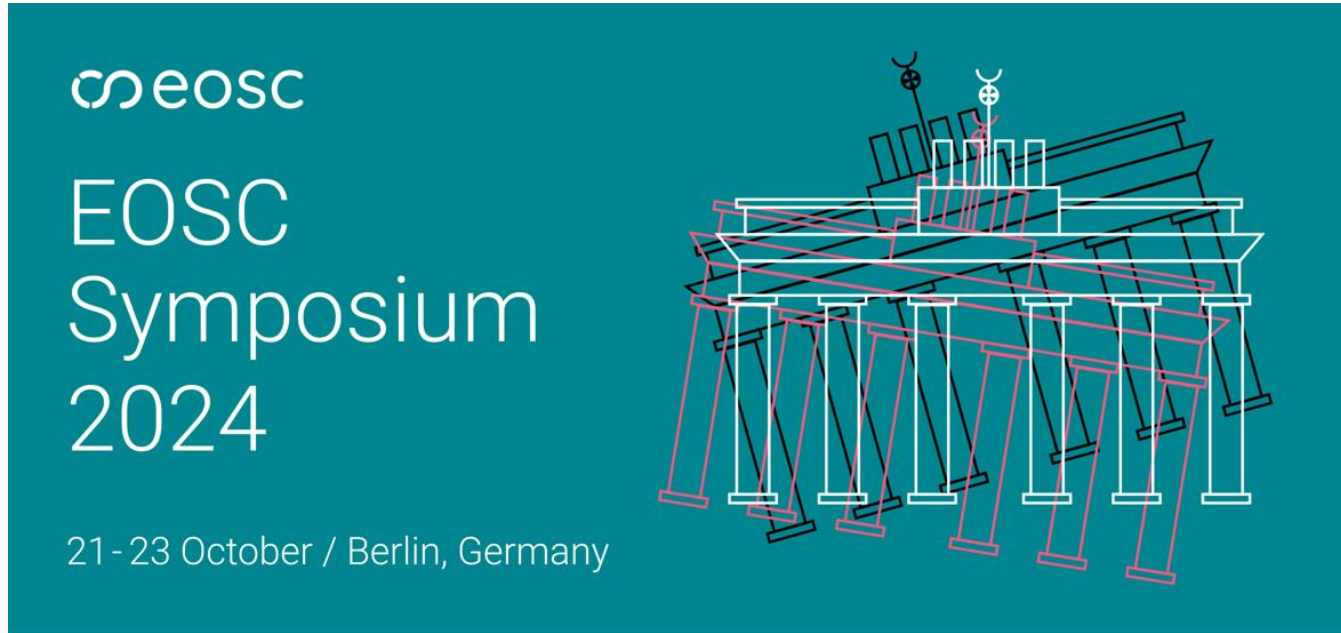

EOSC Implementation

Core funding for the EOSC development (2018-2027)

EOSC phase 1: 2018 - 2020	EOSC phase 2: convergence 2021 - 2027	EOSC phase 3: operation Post-2027
Funding instruments: H2020 calls/grants approach	Funding instruments: HE INFRAEOSC calls / grants approach EOSC Procurement In kind contributions from the EOSC Association members	Funding instruments: Under discussion
Funders: European Commission (DG CNECT; DG RTD)	Funders: European Commission (DG CNECT; DG RTD) Members of the EOSC Association	Funders: Under discussion
Total funding: 350 M€	Total funding: 1 billion € (500M€ from the EC + 500M€ as in kind contributions from the EOSC Association members)	Total funding: Under discussion
Main purpose: To support the implementation strategy defined in the EOSC roadmap 2018-2020 by the European Commission	Main purpose: To support the implementation of the strategic priorities identified in the Multi Annual Roadmap 2021-2022; 2023-2024; 2025; 2026-2027 of the Strategic Research and Innovation Agenda (SRIA)	Main purpose: To support the EOSC strategy and governance post 2027

Meet the EOSC Community

A teal banner for the EOSC Symposium 2024. On the left, the text 'eosoc' is written in a stylized white font, followed by 'EOSC Symposium 2024' in a larger white font. Below this, the dates '21-23 October / Berlin, Germany' are written in a smaller white font. On the right side of the banner is a white line-art illustration of a complex, multi-tiered structure resembling a modern building or a data center, with various levels and connecting lines. The background of the banner is a solid teal color.
